To Whom It May Concern:

By two RFAs dated July 8, 2015, you inquired into the negative cash balance reported on our March and April, 2015 monthly reports. The negative reported balance is not accurate; the Committee will be amending these reports to include receipts that were omitted when originally filed. The Committee is currently in the process of appointing a new treasurer after the present treasurer has been unable to continue duties due to a serious medical condition. It appears that the treasurer's condition affected several reports, resulting in the inaccurate cash balance reported on the March and April monthly reports. The Committee is beginning a comprehensive reconciliation of financial reports and will make all necessary amendments as soon as possible. We were not able to complete this review before the deadline for this response.

Sincerely,
Republican Party of Fort Bend County
